# WEEKLY Horoscopes for July 3 - 9

## ARIES – Mar 21/Apr 20

Career developments may be a bit unclear this week, Aries. Your motivation may need a little extra boost. You might have to consider if a career change is in order.

## TAURUS – Apr 21/May 21

A lack of information is proving confusing, Taurus. If you suspect there's more details to uncover, choose a course of action and do your best to get as clear a picture of the situation as possible.

## GEMINI – May 22/Jun 21

Keep your money in your wallet this week, Gemini. You might want to spend it or give it away impulsively and that could affect your finances in an impactful way.

## CANCER – Jun 22/Jul 22

Cancer, this isn't a good time to sign contracts or make any significant purchases. Keep your money safe and try to keep your savings account full at this point.

## LEO – Jul 23/Aug 23

People have been asking you to take on too many responsibilities lately, Leo. This could be stressing you out or taking away from your own needs. Learn to turn others away for now.

## VIRGO – Aug 24/Sept 22

Virgo, this week may present an opportunity to restore your self-confidence. For too long you have been floundering and not finding the traction you need and deserve.

## LIBRA – Sept 23/Oct 23

Libra, something could be distorting your perspective right now and making it difficult to concentrate and communicate. Take a few days off from your responsibilities.

## SCORPIO – Oct 24/Nov 22

Scorpio, after some gloomy feelings the last few weeks, good news has you feeling like you are on cloud nine. Savor it and celebrate.

## SAGITTARIUS – Nov 23/Dec 21

This is a good week to try to enhance your love life, Sagittarius. Take every opportunity to woo your significant other, and plan a special event for the two of you.

## CAPRICORN – Dec 22/Jan 20

You may want some magical force to whisk away all of the little difficulties that have been affecting you, Capricorn, but it will require hard work to do that.

## AQUARIUS – Jan 21/Feb 18

Lately there have been a lot of thoughts swirling through your head, so much so that you can't get any peace, Aquarius. It may be beneficial to sit down with someone to talk it out.

## PISCES – Feb 19/Mar 20

Pisces, try something new this week even if it scares you. It is good practice to challenge yourself once in a while to test your resilience to change.
